CANON IV.3 Of the Cathedral

Sec. 1. The Convention of the Diocese acknowledging primitive usage, admitting the see city to be a necessary element in episcopacy, and believing the cathedral therein to be an essential organ of the Bishop for the reality of the episcopal office and the discharge of the Bishop’s duties hereby recognizes the idea and the fact of the cathedral in the see city, as a proper prerogative of the Bishop.

Sec. 2. A Dean, to be nominated by the Bishop, shall be elected or appointed by the Vestry of the cathedral church, and shall have charge of the cathedral congregation.

Sec. 3. The cathedral church shall be a parish, with the usual parochial organizations, and with all the rights and privileges of any parish.

Sec. 4. Grace Church, in the See City of Topeka, is hereby adopted and constituted the Cathedral Church of the Diocese of Kansas.

CANON IV.4 Of Congregations

Sec. 1. Congregations other than self governing parishes may be organized or dissolved at the discretion of the Bishop.

Sec. 2.

a. A congregation thus organized shall be governed pursuant to and in accordance with these Canons and such other conditions as the Bishop may deem necessary.

b. A congregation organized upon the campus of any university, college, or junior college situated within the Diocese shall be known as a campus mission, and shall be under the authority of the Bishop.

c. Upon the organization of a congregation and notification thereof by the Bishop to the Secretary of the Convention, such congregation shall be entitled to lay representation in the Diocesan Convention according to the provisions of the Constitution and Canons of this Diocese.

Sec. 3. A parish may be established in the Diocese of Kansas in the following manner.

a. The Bishop of the Diocese of Kansas may desire to establish a Parish in a given location and contact people in that area, including a reasonable number of communicants of the Episcopal Church.

Alternatively, a reasonable number of communicants of the Episcopal Church, which includes at least three (3) confirmed communicants aged 18 years or over, may desire to establish a Parish. In either case, the people and the Bishop shall meet and consult together. If the people and the Bishop desire to continue the endeavor, the Bishop may authorize the people to meet as a worshipping community subject to the canons of the Episcopal Church and of The Diocese of Kansas and to any requirements the Bishop of Kansas may further set forth in writing. The Bishop may assign a Minister to lead the group during this time. When the people desire to establish a Parish, they may apply to the Bishop for permission to make application to the Convention. Upon approval by the Bishop, the people may then petition the Convention as set forth in subsection (b) below.

b. After receiving the Bishop's approval, the people desiring to establish a Parish shall submit two copies of the following petition at least forty days and not more than ninety days before the Diocesan Convention to be held next thereafter. The petition shall be signed by not less than three members of the group aged eighteen years or over who are confirmed communicants of the Episcopal Church. Any Minister in charge of the group, shall approve the petition by signature thereon.

Petition

We whose names are signed below, and who are confirmed in the Episcopal Church or who are desirous of being confirmed communicants of the Episcopal Church, deeply sensible of the truth of the Christian Religion and conscientiously attached to the Doctrine, Discipline, and Worship of the Church known as the Protestant Episcopal Church in the United States of America, and being desirous of further establishing its authority and securing its holy influences for ourselves, our families and neighbors and those who come after us, do hereby respectfully petition the Ecclesiastical Authority and the Convention of the Diocese of Kansas, that we be granted the status of a Parish of the Episcopal Church in the Diocese of Kansas, under the name and title of **N.** and we do hereby solemnly promise and declare that the said Parish shall forever be held under the

Ecclesiastical Authority of the Diocese of Kansas, the authority which we do recognize, and to the liturgy, doctrine, discipline, rites and usages of the Episcopal Church in the United States of America we promise for ourselves and our successors corporate obedience and conformity at all times, so help us God.

Furthermore, we solemnly engage and stipulate that all real and personal property of which the Parish is or may become possessed is held in trust for this Church and the Diocese of Kansas and shall be secured against alienation from the Episcopal Church in the Diocese of Kansas unless such alienation shall be in conformity with its Canons.

c. Articles of incorporation (two copies) in a form approved by the Bishop and filed with the Secretary of the State of Kansas are to be presented at the same time as the above petition.

d. The Bishop shall refer the petition to the Convention of the Diocese with any recommendations. The Convention of the Diocese meeting next after the submission of the petition shall act on it. Upon approval by the Convention of the petition for admission as a Parish, the group is thereupon admitted into union with the Bishop and the Convention as a Parish.

Sec. 4. The government of all parishes and congregations organized under the provisions of this Canon shall be vested in the Bishop as Rector, who may appoint a Vicar as representative of the Rector. The Vicar shall conform to the instruction of, and be accountable to, the Rector.

Sec. 5. The Rector, having chosen a method, shall appoint a Vestry, consisting of a warden, a clerk, a treasurer and committee Members, in number as the Rector deems appropriate. The members of the Vestry shall be the Trustees of the parish corporation whose actions shall be, however, subject to approval and ratification by the Bishop and the Council of Trustees. With written approval from the Rector, a parish may operate in accordance with Canon IV.5, Sections 5 through 8 or such portion of those provisions as the Rector deems appropriate. The Rector, or in the Rector's absence, the Vicar shall preside at the Vestry meetings.

Sec. 6. The Treasurer of the Vestry shall keep an accurate book of accounts and shall submit to the Vestry a monthly statement of receipts, disbursements and cash or equivalent on hand in such form as they shall direct. In addition, the Treasurer shall prepare for their approval and submission to the Bishop and Trustees all such reports and other financial information as may be required by them from time to time.

Sec. 7. The Clerk of the Vestry shall take minutes of all meetings of the Vestry, and shall cause such minutes to properly be kept and maintained, and transmitted to the Rector without delay.

CANON IV.5 Of Self Governing Parishes

Sec. 1. No parish shall be authorized to provide its own governance under the terms of this Canon until it has been in union with the Convention of the Diocese of Kansas as a parish or as a campus of a self governing parish pursuant to a plan of organization described in Section 3 of this Canon for at least one year.

Sec. 2. A parish may be authorized by the Bishop to be a self governing parish when it shall meet the requirements of the Canons and such other conditions not inconsistent therewith as shall from time to time be required by the Bishop.

Sec. 3. An incorporated parish in good standing may be authorized by the Bishop, acting with the advice and consent of the Council of Trustees in its capacity as the Standing Committee of

the Diocese, to acquire or establish a campus in a location other than its primary location. A separate campus shall be established pursuant to a plan of organization developed after consultation with the Convocation Board of the Convocation in which the sponsoring parish is located (and the Convocation Board in which the separate campus is located if it is in a different Convocation). A separate campus shall be organized pursuant to the plan of organization as a part of the sponsoring parish, shall be subject to governance by the Vestry of the sponsoring parish and shall not constitute a separate diocesan institution.

Sec. 4. Any congregation organized and maintained by a self governing parish may apply for permission to incorporate only after it has satisfied all claims resting upon it by the organizing parish.

Sec. 5. No parish shall file articles of incorporation as provided by the state of Kansas unless such articles of incorporation be in accord with and accede expressly to the Constitution and Canons of the Episcopal Church, and to the Constitution and Canons of the Diocese of Kansas, and shall have received first the written approval of the Bishop, acting with the advice and consent of the Council of Trustees in its capacity as the Standing Committee of the Diocese. No parish shall adopt or amend articles of incorporation, bylaws or other governing documents for the parish or subsidiary entities without the approval in writing of the Bishop.

Sec. 6. The Vestry, Trustees of the Parish Corporation

a. Membership. Every self governing parish shall be governed by a Vestry, which shall consist of the Rector, a Senior Warden, a Junior Warden, and no fewer than three additional members. The members of the Vestry shall be the trustees of the parish corporation, and shall share with the Rector a concern and responsibility for the mission, ministry, and spiritual life of the parish.

b. Election. The Wardens and members of the Vestry shall be elected annually in accordance with the bylaws of each parish.

(1) The Wardens shall be elected annually. Each shall hold office for not more than three successive one-year terms and shall not be eligible to be elected as a member of the Vestry until after the expiration of one year from the date of previous service. In the event of a vacancy occurring in the office of either Warden, the Vestry shall have power to fill the vacancy.

(2) Members of the Vestry shall be elected for three-year terms, with one-third (or as near to that portion as may be) of the members of the Vestry being elected each year. If local parish bylaws so provide, members of the Vestry may be elected to shorter terms. If local parish bylaws so provide, a member of the Vestry may be re-elected to a second consecutive three year term or to an additional shorter term, provided that no person shall be elected to a shorter term consecutive to a prior term that would result in continuous service of more than six years on the Vestry. Except as before noted, no member of the Vestry shall be eligible for re-election until after the expiration of one year from the date of termination of previous service. Vacancies occurring on the Vestry may be filled by the Vestry until the next annual parish meeting, at which time an election shall be held for the unexpired term or terms. Provided, however, that no member of the Vestry so appointed by the Vestry shall be ineligible for election to the Vestry.

(3) The Vestry, at its first meeting after the annual parish meeting, shall elect a Clerk of the Vestry and a parish Treasurer, both of whom must be qualified electors in the parish, but need not be members of the Vestry.

(4) In the event that a member of the Vestry shall fail for a period of three months to attend Vestry meetings, the Vestry shall give written notice to such member that failure to attend the next regular meeting or to provide satisfactory reason for failure to attend, shall be evidence of

his inability or lack of desire to serve. In such case, if the member does not attend the next meeting and does not provide reason satisfactory to a majority of the other members of the Vestry, the Vestry shall declare the office vacant and notify the member of their action.

c. Meetings. The Vestry shall meet at least bi-monthly. It shall be the duty of every member of the Vestry to attend regularly the meetings of the Vestry.

(1) Special meetings of the Vestry may be called by the Rector, and shall be called at the written request of three members of the Vestry, including one Warden. Notice of such meetings shall be in writing to the members of the Vestry not later than twenty-four hours prior to the hour fixed for the meeting, except that a Vestry meeting may be held at any hour without notice, the Rector consenting, providing that every member of the Vestry shall be present.

(2) There shall be no meeting of the Vestry unless the Rector, if there is one, and a majority of the Vestry be present; provided, if the Rector is absent from the Diocese two calendar months, or if when duly notified of such meeting shall consent to the meeting or decline or neglect to be present, the Vestry shall be competent to transact business if there be a majority of the Vestry, including one Warden, present.

Sec. 7. The Annual Parish Meeting shall be held during the month of January at a time and place within the Parish specified by the Rector. Delegates to Diocesan Convention and the Convocation in which the Parish is located shall be elected as provided in Canon II.2 at the Annual Parish Meeting and such other business as is authorized by the Parish bylaws shall be conducted. Special Parish Meetings may be called as specified in the Parish Bylaws or, if there is no provision in the Parish Bylaws, may be called for any purpose specified in the notice of such Special Parish Meeting by the Rector, the Senior Warden or three members of the Vestry upon no less than ten days notice to the Parish. All adult communicants in good standing as determined by the Rector who are members of the Parish, all as defined by Canon I.1, shall be entitled to vote at any Parish meeting. The Rector, or, if the Rector is the Bishop, the person delegated by the Rector, shall preside at all regular meetings of the Parish. In the Rector's absence, the Senior Warden, or in the absence of both, the Junior Warden shall preside.

Sec. 8. At each Episcopal Visitation the alms and contributions not otherwise specifically designated shall belong to the Bishop's Discretionary Fund.

Sec. 9. The Treasurer of each self governing parish shall keep an accurate book of accounts and shall submit to the Vestry a monthly statement of receipts, disbursements, and cash or equivalent on hand in such form as the Vestry shall direct. In addition, the Treasurer shall prepare and submit to the Bishop and the Trustees for their approval all such reports and other financial information as may be required from time to time.

Sec. 10. The Clerk of the Vestry shall take minutes of all meetings of the Vestry, and shall cause such minutes to be properly kept and maintained.

CANON IV.6

The Rector or priest or deacon-in-charge of a parish or campus mission, by virtue of such office, has the powers and duties conferred by the General Canons of the Church, and in this connection shall exercise pastoral oversight of all guilds and societies within the parish, and is entitled to speak and vote on all questions before these bodies.

CANON IV.7

Sec. 1. The Rector and both Wardens, a majority of the Vestry of a parish, the Bishop, or the Council of Trustees acting as the Standing Committee of the Diocese by a vote of two-thirds of its members, may petition the Ecclesiastical Authority to initiate an inquiry into whether the continued health of a parish appears to be in jeopardy such that a degree of Episcopal intervention or oversight is needed as a means of restoring the health of the Congregation.

Sec. 2. A plan for restoring congregational health may not be made except upon a finding, following inquiry, that one or more of the following conditions exist in the Parish:

- a. Failure to elect a Vestry or a Rector (where the parish is without a Rector).
- b. Failure to pay clergy compensation outlined in a Letter of Agreement, including Pension assessments and insurance premiums.
- c. Failure or neglect for three months or more to pay duly assessed diocesan apportionments without an explicit plan for payment of such.

- e. Persistent failure or neglect to conform to the Business Methods in Church Affairs required by the Constitution and Canons of the General Convention of the Episcopal Church or of the Diocese, including those requirements relating to the bonding of treasurers or other custodians of funds, proper record keeping, proper maintenance of books of account, annual audit, and the maintenance of adequate insurance.
- f. Failure to complete and file audit reports per diocesan policy.
- g. Failure to complete and file parochial reports per diocesan and Episcopal Church policy.
- h. Persistent failure to provide for and fund adequate health insurance for all eligible clergy and lay employees, according to the provisions in the Canons of the Episcopal Church.
- i. Persistent failure to keep all buildings, structures, tangible property of the Parish adequately insured against loss or to pay such insurance premiums.
- j. Failure to cooperate in an inquiry under this Canon, or in connection with any other canonical inquiry by the Ecclesiastical Authority or its designee, including the failure or refusal to provide full and accurate information on the state of the Parish and its affairs.
- k. Failure to implement in good faith any plan or arrangement agreed to by the Parish under this Canon.

Sec. 3. If a plan for restoring congregational health is not implemented in accordance with this Canon, the Bishop, with the concurrence of two-thirds of the Council of Trustees acting as Standing Committee of the Diocese, may require the application of one or more of the actions below, anything in the articles of incorporation or bylaws of such congregation notwithstanding. The actions shall be considered independent actions with no requirement of exhaustion of certain actions before the application of others.

- a. A plan for the Parish to cure the conditions which led to the implementation of the inquiry, agreed to by the Parish within 90 days, and implemented thereafter in accordance with its terms.
- b. Appointment by the Ecclesiastical Authority of five or more adult communicants temporarily to govern the affairs of the Parish as Warden and Vestry, notwithstanding any other canonical or other provision for such governance, until the Ecclesiastical Authority declares the end or sufficient amelioration of such conditions, or applies further measures under the Canons.

c. Designation of the Rector or the Parish Clergy-in-charge, until the Ecclesiastical Authority declares the end or sufficient amelioration of such conditions, or applies further measures under the Canons.

d. Conveyance of title of all real property of the Parish to the Diocese, which shall preserve and control such property in trust until the Ecclesiastical Authority declares the end or sufficient amelioration of such conditions, or applies further measures under the Canons.

e. Declaration of the parish as a non-self-governing parish, in writing, with the Bishop assuming rectorship.

f. Such other measures as the Ecclesiastical Authority shall determine with the advice and consent of two-thirds of the Council of Trustees acting as the Standing Committee of the Diocese until the Ecclesiastical Authority declares the end or sufficient amelioration of such conditions, or applies further measures under the Canons.

CANON IV.8

Of the Dissolution and Merging of Parishes

Sec. 1. The articles of incorporation of each parish shall provide that the Parish accedes to and is governed by the general Constitution and Canons of the Episcopal Church and the Constitution and Canons of this Diocese, including the provisions of this Canon IV.8.

Sec. 2. When a parish has ceased to function:

a. The Vestry, upon direction of the Bishop, with the advice and consent of the Council of Trustees in its role as the Standing Committee of the Diocese, shall take the necessary steps in accordance with state law to effect the dissolution of said corporation.

b. Upon the dissolution of such corporation, the title to all its property, real and personal, shall pass and be transferred and conveyed to The Episcopal Diocese of Kansas, Inc., a Kansas Corporation.

Sec. 3. CANON IV.9

Of Filling a Vacant Cure

Sec. 1. When, in a self governing parish other than the Cathedral, a vacancy shall occur in the office of Rector, it shall be the duty of the Wardens to inform the Bishop without delay.

Sec. 2. Before a call is extended to any candidate concerning the vacancy, written approval shall be obtained from the Bishop and the Vestry shall submit such reports to the Bishop as the Bishop shall deem appropriate.

Sec. 3. Upon the nomination of a candidate to be the Rector of said Parish, the Vestry shall submit the name and terms to the Bishop who shall, without delay, certify approval or disapproval. If the Bishop disapproves, the Vestry shall proceed to another nomination.

Sec. 5. If an incorporated parochial Cure shall be without a Rector, the Bishop may appoint a priest to serve as Interim Pastor or as Priest in Charge as those functions are defined in these Canons.

Sec. 6. Before the commencement of the tenure of any Pastor, the Bishop, the Pastor and the Parish acting through its Wardens and Vestry shall enter a Letter of Agreement defining the expectations and obligations of each of the parties setting such goals and objectives as may be appropriate and providing the terms under which the Pastor's tenure is defined.

b. Upon approval of an application under paragraph a. of this section by the Bishop and the Council of Trustees, the Bishop may designate a priest to serve as chaplain.
