

## **Use of alcohol at church functions**

Approved by Convention October 29, 1988

Amended by the Council of Trustees April 19, 2005; and September 27, 2016

1. All churches in the Episcopal Diocese of Kansas must provide a safe and welcoming environment for all people, including people in recovery.
2. All applicable federal, state and local laws must be obeyed, including those governing the serving of alcoholic beverages to minors.
3. Some congregations may decide not to serve alcohol at events or gatherings. Others may decide to permit a limited use of alcoholic beverages at church-sponsored events. Both can be appropriate if approached mindfully.
4. When alcohol is served, it must be monitored and those showing signs of intoxication must not be served. Whenever alcohol is served, the rector, vicar, priest-in-charge or senior warden (in parishes without a priest), or his or her designee, must appoint an adult to oversee its serving. That adult must not drink alcoholic beverages during the time of his or her execution of his or her responsibilities. If hard liquor is served, a certified server is required.
5. Serving alcoholic beverages at congregational events where minors are present is strongly discouraged. If minors are present, alcohol must be served at a separate station that is monitored at all times to prevent underage drinking.
6. Whenever alcohol is served, appealing non-alcoholic alternatives must always be offered with equal prominence and accessibility.
7. Alcoholic and non-alcoholic beverages must be clearly labeled as such. It is recommended that food prepared with alcohol also be labeled, whether or not the alcohol is completely evaporated by the cooking process.
8. Ministries inside or outside of congregations will make certain that alcohol consumption is not the focus of the ministry and that drinking alcohol is not an exclusively normative activity. The serving of alcoholic beverages at church events may not be publicized as an attraction of the event.
9. Food must be served when alcohol is present.
10. The groups or organizations sponsoring the activity or event at which alcoholic beverages are served must have permission from the clergy or the vestry. Such groups or organizations must also assume responsibility for those persons who might become intoxicated and must provide alternative transportation for anyone whose capacity to drive may be impaired. Consulting with liability insurance carriers is advised.

11. Recognizing the effects of alcohol as a mood-altering drug, alcoholic beverages shall not be served when the business of the Church is being conducted.
12. Clergy shall consecrate an appropriate amount of wine when celebrating the Eucharist and perform ablutions in a way that does not foster or model misuse.
13. We encourage clergy to acknowledge the efficacy of receiving the sacrament in one kind and consider providing non-alcoholic wine.
