

# What to bring!

## TO MISSIONPALOOZA '11

- Signed Permission/Medical Release forms and fees (if not already turned in)
- Sleeping bag and pillow (air mattress is optional)
- Clothes - We'll be working – so old clothes are perfect! These need to be modest such as t-shirts, jeans, walking length shorts and closed-toed shoes. Modesty is requested out of respect for those we will serve and assist through our week. No bare midriffs please. Also, you'll have an opportunity to “freshen up” in the afternoon when you return from your worksite so another change of clothes is a smart idea.
- Shoes - You'll need sturdy, safe closed-toed shoes for most worksites
- Toiletries & towel
- Bible
- Spending money for the Saturday Fun Site you have chosen**
- Swimsuit and Beach Towel
- Hat and/or Sunglasses
- Flashlight
- Willingness to seek and serve Christ in all persons**

### **What NOT to bring:**

Anything not allowed in our Covenant agreement  
Electronic games

**Because we are there to be with each other, the use of these optional restrictions will be limited:** Cell phones, Discmans, IPODS, MP3 players
